ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Auto lights, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Leather Seats, Power Steering, Radio CD, Remainder of Service Plan, Remainder of Warranty, Reverse camera, Service History, Side Steps, Smart key, Window tint. Built tough, designed to work and comfortable enough for everyday family life, the 2026 Ford Ranger 2.0L SiT XL Double Cab 4x2 10AT is a superb all-round bakkie for buyers who need capability, reliability, practicality and modern technology in one impressive package., , The Ranger XL may be positioned as the hardworking model in the Ranger range, but there is nothing basic about the driving experience. With its powerful 2.0-litre Single Turbo diesel engine, smooth 10-speed automatic transmission, Double Cab practicality, large touchscreen infotainment system, reversing camera and an extensive range of safety equipment, the Ranger XL offers exceptional versatility., , Whether it is being used as a workhorse during the week, transporting the family over the weekend, towing a trailer or taking on a long-distance road trip, the Ranger is designed to handle it all., , 2.0L SINGLE TURBO DIESEL POWER, , At the heart of the Ranger XL is Ford's updated 2.0-litre Single Turbo diesel engine., , Key performance figures include , , 2.0-litre turbo diesel engine, 1,996 cc, 125 kW of power at 3,500 rpm, 405 Nm of torque between 1,750 and 2,500 rpm, Direct diesel injection, 16-valve engine, , The generous 405 Nm of torque is particularly useful when carrying loads, towing or overtaking., , Because the torque is available relatively low in the rev range, the Ranger feels strong and responsive without needing to work the engine excessively hard., , This makes it equally suited to commercial applications and normal daily driving., , 10-SPEED AUTOMATIC TRANSMISSION, , Power is transferred to the rear wheels through Ford's sophisticated 10-speed automatic transmission., , The large number of ratios allows the gearbox to keep the engine operating within an efficient power band while also providing strong acceleration when needed., , On the open road, the higher gears help reduce engine speed during cruising, improving refinement and potentially contributing towards lower fuel consumption., , The automatic transmission is particularly convenient in , , Heavy traffic, , Stop-start urban driving, , Long-distance travel, , Towing, , Commercial use, , Frequent delivery routes, , The 4x2 rear-wheel-drive configuration also makes this derivative ideal for customers who do not require full-time off-road capability but still want the toughness and practicality associated with the Ranger., , SELECTABLE DRIVE MODES, , The Ranger offers selectable drive modes designed to adapt the vehicle to different conditions and requirements., , Depending on the specific vehicle specification, modes can include , , Normal, , Eco, , Tow Haul, , Slippery, , These settings adjust various vehicle characteristics to help the Ranger perform appropriately for the conditions., , Eco mode can help encourage more economical driving, while Tow Haul mode is particularly useful when pulling heavier trailers., , BUILT TO TOW, , One of the Ranger's strongest advantages is its impressive towing capability., , The 2.0L SiT 4x2 10AT is rated for a maximum braked towing capacity of up to 3,500 kg, making it an excellent option for customers who regularly tow., , It is suitable for applications such as , , Horse trailers, , Car trailers, , Boats, , Camping trailers, , Large luggage trailers, , Work trailers, , Equipment trailers, , Trailer Sway Control adds another layer of reassurance when towing by helping the vehicle respond if trailer movement is detected., , BOLD RANGER DESIGN, , The current-generation Ranger has one of the most distinctive designs in the double-cab segment., , The broad front end, strong grille design and muscular proportions create a commanding road presence., , The XL retains the tough, purposeful look buyers expect from a hardworking Ranger., , Exterior features include , , Signature Ranger front design, , Halogen headlamps, , Halogen daytime running lamps, , Halogen rear lamps, , High-mounted brake light, , Durable exterior trim, , Double Cab body configuration, , Large load bin, , Rear bumper, , Side steps depending on specification, , 16-inch steel wheels, , Full-size spare wheel, , The XL's steel wheels are particularly well suited to buyers who regularly use their vehicles in demanding working environments., , They are tough, practical and relatively inexpensive to repair or replace compared with larger premium alloy wheels., , PRACTICAL DOUBLE CAB, , The Double Cab configuration makes the Ranger far more versatile than a traditional work bakkie., , There are four doors and proper rear seating, allowing the vehicle to comfortably accommodate passengers while retaining a large rear load box., , This makes the Ranger XL ideal for , , Families, , Contractors, , Farmers, , Fleet customers, , Construction companies, , Sales representatives, , Small businesses, , Outdoor enthusiasts, , During the week it can operate as a hardworking commercial vehicle, while on weekends it can easily serve as a practical family vehicle., , LARGE 12-INCH TOUCHSCREEN, , One of the most impressive features inside the Ranger XL is its large 12-inch portrait-orientated colour touchscreen., , The screen dominates the centre of the dashboard and gives even the work-focused XL model a modern, high-tech feel., , The infotainment system provides access to various vehicle and entertainment functions., , Connectivity features may include , , Apple CarPlay, ,

Android Auto, Bluetooth connectivity, USB connectivity, Smartphone integration, Audio controls, Vehicle settings, This makes it easy to access compatible navigation, calls, messages and music from your smartphone., 8-INCH DIGITAL INSTRUMENT DISPLAY, Directly in front of the driver is an 8-inch digital colour instrument cluster display., This gives the driver clear access to important vehicle information without needing to look away from the road., Information displayed can include, Vehicle speed, Fuel level, Trip information, Fuel consumption, Driver-assistance information, Vehicle warnings, Gear position, Driving information, CRUISE CONTROL, Cruise control comes standard on the Ranger XL and is especially useful for long-distance driving., Once the required speed has been selected, the system helps maintain that speed without the driver needing to continuously hold the accelerator., This can reduce fatigue when travelling longer distances on highways and open roads., REAR-VIEW CAMERA, Despite its size, manoeuvring the Ranger becomes considerably easier thanks to its rear-view camera., When reverse gear is selected, the touchscreen displays a view of the area behind the vehicle., This is particularly useful when, Reversing into parking spaces, Connecting a trailer, Manoeuvring around a worksite, Reversing near walls, Parking in shopping centres, Working in confined areas, Rear parking sensors provide additional assistance by warning the driver when the vehicle is approaching an obstacle., FRONT AND REAR PARKING SENSORS, Depending on the current specification, Ranger XL derivatives are equipped with parking assistance including front and rear parking sensors., These provide audible warnings as the vehicle approaches obstacles, making everyday manoeuvring considerably easier., For a vehicle of this size, this is an extremely useful feature., COMFORTABLE INTERIOR, The Ranger XL's cabin has been designed to handle hard work while still providing good everyday comfort., Features include, Durable cloth upholstery, Four-way manually adjustable driver's seat, Four-way manually adjustable front passenger seat, Reach and rake adjustable steering wheel, Air conditioning, Multiple storage compartments, Front cupholders, Rear seating, Rear head restraints, Centre console storage, Door storage compartments, The driving position is high and commanding, providing excellent visibility over surrounding traffic., AIR CONDITIONING, South African weather can be demanding, particularly during summer, making air conditioning an important everyday feature., The Ranger XL provides a comfortable cabin environment whether you are driving around town, working on a farm or travelling long distances., MULTIPLE AIRBAGS, Ford has equipped the Ranger XL with a comprehensive airbag system., Depending on specification, protection includes, Driver airbag, Front passenger airbag, Front side airbags, Curtain airbags, Driver knee airbag, This provides protection for both front and rear occupants in the event of a collision., ELECTRONIC STABILITY CONTROL, The Ranger features Electronic Stability Control, which continuously monitors vehicle behaviour., If the system detects that the vehicle is beginning to deviate from the intended direction, it can intervene by adjusting engine power and applying braking force to individual wheels., This is particularly useful on slippery roads or during emergency manoeuvres., TRACTION CONTROL, Traction Control helps reduce excessive wheelspin when accelerating on loose or slippery surfaces., It can be particularly useful when driving on, Wet roads, Gravel, Muddy surfaces, Loose sand, Unsealed roads, ROLL OVER MITIGATION, Roll Over Mitigation forms part of the Ranger's electronic safety systems., The technology monitors vehicle movement and can intervene when it detects conditions that could potentially increase rollover risk., TRAILER SWAY CONTROL, For customers who tow regularly, Trailer Sway Control is an important safety feature., If the system detects unwanted trailer movement or swaying, it can use the vehicle's braking and stability systems to help bring the combination back under control., Combined with the Ranger's maximum braked towing capacity of up to 3,500 kg, this makes the automatic Ranger XL an impressive towing vehicle., HILL LAUNCH ASSIST, Hill Launch Assist helps prevent the vehicle from rolling backwards when pulling away on an incline., When the driver moves their foot from the brake pedal to the accelerator, the system briefly maintains braking pressure, providing enough time to accelerate smoothly., ABS WITH ELECTRONIC BRAKE ASSISTANCE, The Ranger features an Anti-lock Braking System, helping the driver maintain steering control during heavy braking., Electronic brake-force technologies further help distribute braking force effectively., ISOFIX CHILD-SEAT MOUNTINGS, For families, ISOFIX mounting points make installing compatible child seats easier and more secure., Combined with the spacious rear seating area and Double Cab configuration, the Ranger XL can function extremely well as a family vehicle., 80-LITRE FUEL TANK, The Ranger's generous fuel tank capacity helps provide excellent touring range., This is particularly useful for, Long-distance travelling, Farm use, Fleet operations, Rural areas, Towing, Business travel, Fewer fuel stops mean more time getting the job done., TOUGH LOAD BOX, Of course, a Ranger would not be a Ranger without a practical load box., The rear load area is designed for serious everyday use and can accommodate everything from tools and equipment to camping gear, luggage, animal feed and building materials., A wide variety of Ford and

aftermarket accessories can also be fitted, including , , Rubberising, , Tonneau covers, , Canopies, , Sports bars, , Tow bars, , Load-bin liners, , Toolboxes, , Roller shutters, , Nudge bars, , SAFETY SECURITY FEATURES, , The Ranger XL offers a comprehensive selection of safety and security equipment, including , , Multiple airbags, , ABS, , Electronic Stability Control, , Traction Control, , Roll Over Mitigation, , Trailer Sway Control, , Hill Launch Assist, , Rear-view camera, , Parking sensors, , Cruise control, , Three-point seatbelts, , ISOFIX child-seat mounting points, , Alarm system, , Perimeter alarm, , Interior motion sensors, , Vehicle inclination sensor, , Remote central locking, , KEY FEATURES AT A GLANCE, , 2026 Ford Ranger 2.0L SiT XL Double Cab 4x2 10AT, , 2.0-litre Single Turbo diesel engine, , 1,996 cc, , 125 kW, , 405 Nm, , 10-speed automatic transmission, , Rear-wheel drive 4x2, , Double Cab, , Up to 3,500 kg braked towing capacity, , 80-litre fuel tank, , Selectable drive modes, , Trailer Sway Control, , Hill Launch Assist, , Traction Control, , Electronic Stability Control, , Roll Over Mitigation, , ABS, , Multiple airbags, , Driver knee airbag, , ISOFIX child-seat mountings, , 16-inch steel wheels, , Halogen headlights, , Daytime running lights, , Large rear load box, , 12-inch colour touchscreen, , Apple CarPlay compatibility, , Android Auto compatibility, , Bluetooth, , USB connectivity, , 8-inch digital instrument display, , Cruise control, , Rear-view camera, , Parking sensors, , Air conditioning, , Cloth upholstery, , Four-way adjustable driver's seat, , Four-way adjustable passenger seat, , Reach and rake adjustable steering wheel, , Alarm system, , Remote central locking, , Multiple storage compartments, , BUILT FOR WORK. READY FOR LIFE., , The 2026 Ford Ranger 2.0L SiT XL Double Cab 4x2 10AT is an excellent choice for someone who wants a genuine workhorse without sacrificing everyday comfort and technology., , Its 125 kW and 405 Nm turbo diesel engine provides plenty of pulling power, while the smooth 10-speed automatic transmission makes the Ranger effortless to drive both around town and on longer journeys., , Add its spacious Double Cab cabin, large load box, impressive towing capability, modern 12-inch touchscreen, reversing camera and comprehensive safety equipment, and you have a vehicle that can comfortably fulfil multiple roles., , Use it for your business., , Use it on the farm., , Load it with equipment., , Tow your trailer., , Take the family away for the weekend., , The Ranger XL is built to handle all of it., , If you need a tough, capable and dependable double cab with modern technology and the convenience of an automatic transmission, the Ford Ranger XL 2.0L SiT 4x2 10AT deserves serious consideration., , Finance available through all major banks., , Trade-ins welcome., , T's C's apply., , Vehicle specifications and features may vary according to exact model, production date and optional equipment. Please confirm the individual vehicle's specification with the selling dealer before purchase.
