ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Auto lights, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Metallic Paint, Power Steering, Radio CD, Remainder of Service Plan, Remainder of Warranty, Reverse camera, Satellite Navigation, Service History, Smart key, Window tint. 2026 Nissan Tekton 1.3T Acenta DCT, The 2026 Nissan Tekton 1.3T Acenta DCT is a bold, modern compact SUV that combines strong turbocharged performance, premium comfort, advanced technology and everyday practicality. Positioned as a stylish and well-equipped SUV for drivers who want more space, more features and a more refined driving experience, the Tekton Acenta brings together a powerful 1.3-litre turbocharged petrol engine, a smooth 6-speed dual-clutch automatic transmission, generous luggage space and an impressive list of comfort and safety equipment. Whether you are commuting, transporting the family, travelling long distances or simply looking for a modern automatic SUV with strong road presence, the Tekton Acenta offers a very compelling package.

1.3-LITRE TURBOCHARGED PERFORMANCE, At the heart of the Tekton Acenta is Nissan's 1.3-litre turbocharged petrol engine. Key performance figures include , - 1,333 cc turbocharged petrol engine, - 4-cylinder configuration, - 115 kW of maximum power, - 260 Nm of torque, - Front-wheel drive 2WD, - 6-speed automatic dual-clutch transmission with wet clutch, - Fly-by-wire electronic shifter, - Maximum speed approximately 198 km/h, - 0-100 km/h in approximately 9.89 seconds, This gives the Tekton significantly stronger performance than many smaller-capacity compact SUVs, making it particularly well suited to highway driving, overtaking and longer-distance travel.

6-SPEED DCT AUTOMATIC TRANSMISSION, The Acenta uses Nissan's 6-speed automatic transmission with wet-clutch technology and e-Shift. This transmission is designed to offer fast, smooth gear changes while providing the convenience of an automatic. The Tekton also features , - Electronic e-Shift, - Dual-clutch automatic operation, - Smooth everyday driving, - Responsive acceleration, - Drive-mode functionality, - Paddle-shift capability on DCT derivatives, The result is an SUV that is comfortable in traffic but still responsive when you want stronger acceleration.

260 NM OF TORQUE, One of the standout features of the Tekton 1.3T is its 260 Nm of torque. This strong torque output gives the vehicle confident acceleration and useful pulling power, especially when , - Overtaking, - Joining highways, - Travelling with passengers, - Carrying luggage, - Driving on inclines, - Completing longer trips, The combination of 115 kW and 260 Nm gives the Tekton a lively, capable driving character.

FUEL CONSUMPTION, Despite its strong performance, the Tekton remains relatively economical for a turbocharged automatic SUV. Nissan currently lists , - Combined fuel consumption approximately 6.3 L/100 km, - Fuel tank capacity 50 litres, - CO emissions approximately 149 g/km, This gives the Tekton a good balance between performance and everyday running costs.

BOLD SUV DESIGN, The Tekton has been designed with a modern, confident SUV appearance. The Acenta specification adds a more premium exterior look with features such as , - 18-inch alloy wheels, - LED headlights, - LED daytime running lights, - Shark-fin antenna, - Roof rails, - Strong SUV body styling, - Elevated ride height, - Modern front-end design, - Five-door practicality, Its broad stance and larger wheels help give the Tekton a more substantial and premium road presence.

PANORAMIC OPENING GLASS ROOF, One of the standout features of the Acenta derivative is its panoramic opening glass roof with an electric cover. This adds a premium feel to the cabin and allows more natural light into the interior. The panoramic roof helps make the cabin feel larger, brighter and more open, especially for rear passengers.

18-INCH ALLOY WHEELS, The Acenta comes standard with stylish 18-inch alloy wheels fitted with 225/55 R18 tyres. These larger wheels enhance the Tekton's sporty appearance while complementing its bold SUV stance.

212 MM GROUND CLEARANCE, The Tekton offers an impressive 212 mm of ground clearance. This gives the vehicle additional confidence when travelling over , - Speed bumps, - Gravel roads, - Uneven surfaces, - Rough driveways, - Farm roads, - Poorly maintained roads, The raised ride height also contributes to the higher SUV driving position many buyers prefer.

GENEROUS DIMENSIONS, The Tekton is larger than many compact SUVs, helping provide good passenger and luggage space. Key dimensions include , - Overall length 4,349 mm, - Width excluding mirrors 1,815 mm, - Height including roof rails 1,674 mm, - Wheelbase generous SUV proportions, - Ground clearance 212 mm, - Turning circle approximately 10.8 metres, - Seating capacity 5 occupants, These dimensions strike a good balance between interior space and everyday manoeuvrability.

518-LITRE BOOT, One of the Tekton's strongest practical advantages is its generous luggage capacity. Nissan lists approximately , - 518 litres of luggage space with the rear seats upright, - Up to 1,789 litres with the second row folded, This makes the Tekton extremely practical for , - Family holidays, - Grocery shopping, - Sports equipment, - Work equipment, - School bags, - Weekend luggage, - Larger household items, The rear

seats can be folded when additional loading space is required. Nissan, PREMIUM CABIN, Inside, the Tekton Acenta offers a modern, spacious and comfortable cabin., Features include , - Dual-zone automatic climate control, - Rear air-conditioning vents, - Power windows, - Keyless convenience features, - High centre console, - Comfortable five-seat layout, - Practical interior storage, - Multifunction steering wheel, - Cruise control, - Digital driver information display, - Wireless smartphone connectivity, The combination of modern materials, technology and generous interior space gives the Tekton a more premium feel., DUAL-ZONE AUTOMATIC AIR CONDITIONING, The Acenta includes dual-zone automatic climate control, allowing the driver and front passenger to select their preferred temperature settings independently., Rear air vents further improve comfort for passengers sitting in the second row. Nissan, 10.1-INCH INFOTAINMENT DISPLAY, The Tekton features a large 10.1-inch central infotainment display., Connectivity includes , - Wireless Android Auto, - Wireless Apple CarPlay, - Bluetooth connectivity, - Audio streaming, - Hands-free calling, - Touchscreen operation, - Steering-wheel-mounted controls, This provides easy access to compatible smartphone apps, navigation, entertainment and communication functions. Nissan, WIRELESS PHONE CHARGING, Another premium Acenta feature is the wireless phone charger., Compatible smartphones can be charged simply by placing them on the charging pad, helping reduce cable clutter inside the cabin. Nissan, MULTI VIEW CAMERA, The Acenta is equipped with a Multi View Camera system, which provides additional visibility around the vehicle when parking or manoeuvring., This is particularly useful when , - Parking in tight spaces, - Reversing, - Navigating narrow areas, - Manoeuvring in shopping centres, The system works together with front and rear parking assistance technology to make driving the Tekton easier and more confidence inspiring. Nissan, BLIND SPOT WARNING, The Tekton Acenta includes Blind Spot Warning, which helps alert the driver when another vehicle is detected in an adjacent blind-spot area., This is especially useful when , - Changing lanes, - Travelling on highways, - Driving in heavy traffic, It adds another layer of driver assistance and convenience. Nissan, SAFETY FEATURES, The Tekton comes with a comprehensive safety package., Standard safety equipment includes , - 6 airbags, - Driver airbag, - Front passenger airbag, - Side airbags, - Curtain airbags, - Anti-lock Braking System ABS, - Electronic Brake-force Distribution EBD, - Emergency Brake Assist, - Electronic Stability Control, - Hill Start Assist, - Tyre Pressure Monitoring System, - ISOFIX child-seat anchors, - Rear parking sensors, - Rear-view camera, - Blind Spot Warning, - Speed limiter, - Seatbelt reminders, - Child safety features, This combination gives both driver and passengers additional confidence during everyday driving. Nissan, FULL-SIZE SPARE WHEEL, The Tekton is fitted with a full-size spare wheel, adding extra peace of mind when travelling longer distances., This is particularly useful in South African conditions where tyre-repair facilities may not always be close by. Nissan, TOWING CAPABILITY, The Tekton also provides useful towing capability., Nissan lists , - Maximum unbraked towing capacity 750 kg, - Maximum braked towing capacity 800 kg, This makes it suitable for smaller trailers and light recreational towing, subject to applicable towing regulations and exact trailer specifications. Nissan, SERVICE PLAN WARRANTY, The Tekton is backed by Nissan South Africa's ownership package., Current specifications include , - 6-year 150,000 km mechanical warranty, - 4-year 60,000 km service plan, - Service intervals every 15,000 km or 12 months, This adds valuable peace of mind and helps make maintenance costs easier to plan. Nissan, WHY CHOOSE THE 2026 NISSAN TEKTON 1.3T ACENTA DCT?, The Tekton Acenta is an excellent choice for buyers who want a modern SUV with strong performance, premium comfort and generous practicality., Key highlights include , - 1.3-litre turbo petrol engine, - 115 kW power, - 260 Nm torque, - 6-speed DCT automatic transmission, - Electronic e-Shifter, - Approximately 6.3 L 100 km, - 18-inch alloy wheels, - 212 mm ground clearance, - Panoramic opening glass roof, - Multi View Camera, - Blind Spot Warning, - Wireless phone charging, - Dual-zone automatic air conditioning, - Rear air vents, - 10.1-inch infotainment display, - Wireless Apple CarPlay, - Wireless Android Auto, - 518-litre boot, - Up to 1,789 litres with rear seats folded, - Six airbags, - ABS, - EBD, - Electronic Stability Control, - Hill Start Assist, - Tyre Pressure Monitoring System, - ISOFIX child-seat mounting points, - Full-size spare wheel, - 6-year 150,000 km warranty, - 4-year 60,000 km service plan, The 2026 Nissan Tekton 1.3T Acenta DCT combines performance, technology and practicality in one stylish SUV. It is equally suited to young professionals, families, commuters and anyone wanting an automatic SUV that feels modern, spacious and well equipped., FINANCE TRADE-INS, Finance is available through all major banks, subject to approval., We offer competitive trade-in valuations and can assist with structuring a finance package according to your individual requirements., Our experienced sales and finance team can assist throughout the process, from your initial enquiry and trade-in appraisal through to finance approval and final delivery., T S C S APPLY, All advertised prices are subject to in-house finance only., Finance is subject to credit approval and the terms and conditions of the applicable financial institution., Advertised prices exclude dealer fees, licence and registration fees, bank initiation fees, optional
